

# BEARS

## Boys and Girls in Third Grade or 8 Years Old

Welcome to the Cub Scouts! Being a Bear Scout is the beginning of what we hope will become a lasting relationship between your Scout and Scouting.

The Bear Cub Scout program is designed to involve your Scout in a group of kids their own age where they can earn status and recognition. There your Scout will also gain a sense of personal achievement from the new skills learned.

This document is designed to give you a closer glimpse into the Bear Cub Scout program and handbook. For more information, please visit [Scouting.org](http://Scouting.org).

## Your Scout is a Member of a Bear

### Den...

- The Bear den is made up of no more than eight boys or girls who are in third grade or are eight years old.
- The den meets two to three times a month. One den meeting each month is a fun and educational field trip.
- Parents and guardians of Bear Cub Scouts are encouraged to attend meetings and assist the den leader.
- The Bear den has a Den Leader and Assistant Den Leader.

## Your Scout is a Member of a Cub Scout Pack...

- A Pack consists of several dens with boys and girls from different age groups. All dens meet once a month for a Pack meeting.
- The Cubmaster leads the monthly pack meeting, but each den will have a part in the Pack meeting.
- Some months, the Pack meeting will have special themes, such as a Pinewood Derby, Blue & Gold Banquet or guest speakers. Other months may be devoted to recognizing Scouts for the projects they have completed by the presentation of belt loops and activity pins or rank advancements.

## Building a strong foundation...with fun!

Kids want to join Scouting because it is fun. But you'll love it for all the other benefits your child receives. Scouting teaches leadership and character. It builds confidence and social skills. It teaches the value of service and citizenship. And it brings families closer together.

# BEAR ADVANCEMENT

In Scouting, advancement is the process by which a member meets certain requirements and earns recognition. Boys and girls in Cub Scouting completed advancement activities with their families and at den meetings.

## CUB SCOUTS EARN BOBCAT BADGE FIRST...

The first advancement earned by a Cub Scout is the Bobcat Badge. The requirements for Bobcat rank are meant to demonstrate that the youth is making a commitment to participate in the scouting program. Scouts learn the Scout Oath, Law, Motto, Cub Scout Handshake and Sign, then share what each of those mean.

## BEAR REQUIRED & ELECTIVE ADVENTURES...

Once a Scout has completed the Bobcat badge, they will work on completing seven Adventures. Some of the Adventures include Bear Claws, Bear Necessities and Baloo the Builder.

Once a Scout has completed the required Adventures, they can continue the fun, learning and exploration with elective Adventures like A Bear Goes Fishing, Critter Care and Super Science.

Electives provide advancement opportunities and recognition for your Scout until they are eligible to begin work on their Webelos rank. Webelos is for boys and girls in fourth & fifth grade or who are 9-10 years old.
