

WOLVES

Boys and Girls in Second Grade or 7 Years Old

Welcome to the Cub Scouts! Being a Wolf Scout is the beginning of what we hope will become a lasting relationship between your Scout and Scouting.

The Wolf Cub Scout program is designed to involve your Scout in a group of kids their own age where they can earn status and recognition. There your Scout will also gain a sense of personal achievement from the new skills learned.

This document is designed to give you a closer glimpse into the Wolf Cub Scout program and handbook. For more information, please visit Scouting.org.

Your Scout is a Member of a Wolf Den...

- The Wolf den is made up of no more than eight boys or girls who are in second grade or are seven years old.
- The den meets two to three times a month. One den meeting each month is a fun and educational field trip.
- Parents and guardians of Wolf Cub Scouts are encouraged to attend meetings and assist the den leader.
- The Wolf den has a Den Leader and Assistant Den Leader.

Your Scout is a Member of a Cub Scout Pack...

- A Pack consists of several dens with boys and girls from different age groups. All Dens meet once a month for a Pack meeting.
- The Cubmaster leads the monthly pack meeting, but each den will have a part in the Pack meeting.
- Some months, the Pack meeting will have special themes, such as a Pinewood Derby, Blue & Gold Banquet or guest speakers. Other months may be devoted to recognizing Scouts for the projects they have completed by the presentation of belt loops and activity pins or rank advancements.

Building a strong foundation...with fun!

Kids want to join Scouting because it is fun. But you'll love it for all the other benefits your child receives. Scouting teaches leadership and character. It builds confidence and social skills. It teaches the value of service and citizenship. And it brings families closer together.

WOLF ADVANCEMENT

In Scouting, advancement is the process by which a member meets certain requirements and earns recognition. Boys and girls in Cub Scouting completed advancement activities with their families and at den meetings.

CUB SCOUTS EARN BOBCAT BADGE FIRST...

The first advancement earned by a Cub Scout is the Bobcat Badge. The requirements for Bobcat rank are meant to demonstrate that the youth is making a commitment to participate in the scouting program. Scouts learn the Scout Oath, Law, Motto, Cub Scout Handshake and Sign, then share what each of those mean.

WOLF REQUIRED & ELECTIVE ADVENTURES...

Once a Scout has completed the Bobcat badge, they will work on completing seven adventures. Some of the Adventures include Call of the Wild, Howling at the Moon, and Running with the Pack.

Once a Scout has completed the required Adventures, they can continue the fun, learning and exploration with elective Adventures like Code of the Wolf, Paws of Skill and Air of the Wolf.

Electives provide advancement opportunities and recognition for your Scout until they are eligible to begin work on their Bear rank. Bears are for boys and girls in third grade or who are 8 years old.
