NEW LOCATION!

Due to LTC wanting to charge us for meeting space now, we will be moving our Roundtable location. Our November Roundtable and OA Meetings will take place at Lakeland University. The meeting rooms will be in Old Main, OA meeting in Room 12 and Roundtable will be in rooms 21 & 22.

Lakeland is willing to host us November & December in those rooms and we will have to follow up with them in December to see if rooms are available in second semester. If anyone has a lead on another location that has at least 3 rooms at no cost, please let Chris or Sally know and they will make calls.

Exciting Membership News & Fundraising to help with membership increase!

We are only 134 youth shy of our 2019 recruitment goals; and the council has provided help with the membership fee increase, through an extension of the online popcorn sale. Any unit that adds 3 new members between November 1st and December 15th will earn a 25% discount on an off-season camp rental at a Bay-Lakes Council Camp to be used by 12/1/2020; and will be entered into a drawing for a free weekend cabin rental. Consider hosting a join event, or a second join event if you've already had one. Chris and Sally are happy to help any pack or troop plan a Join Scouting Event/Open House, please reach out with questions and with details of your event to they can get flyers and geofence the event.

A Scouting Tradition for over 25 years.....

PECATONICA RIVER POPCORN

Here's the skinny on the online popcorn sale:

1. All units, whether you have participated already or not, are eligible to participate in the online popcorn sale from November 1 to December 9.
2. 41% COMMISSION ON ALL SALES during this time period. So, \$150 in sales for a new scout will pay the membership fee.
3. If the unit participated in the sale this fall, your popcorn kernel can set each scout up to participate in the online portion. If a scout is already selling online, they should continue to use their current seller ID.
4. Units that did not participate but want to start selling - email Nikki.Woolf@scouting.org to be added. Include each scout's first and last initial, unit number, email associated with that scout's account. Once a scout is added to the online popcorn system, they will receive an email with a link to the store and their unique Scout ID.
5. Online sales means the scout sends an email and link to their potential customers, the customer orders and pays online, and the product is shipped free directly to the customer. For units that haven't sold popcorn before - this is great! No pick-up, no delivery. Woohoo!
6. No prizes or bonus prizes for individuals - but see above for the unit incentives.
7. All commission will be deposited in the unit account at the office by December 20.
8. Unit leaders will receive an emailed list of the scout's sales.

Family Friends of Scouting, now is the time to register for your presentation

Registrations for presentation dates are starting now, and presentations should take place between December 2019 and April 2020. The best time to host a Friends of Scouting Presentation is when you will have a majority of your families' attention, think courts of honor, blue & gold, parents' meetings. Please look at your unit's calendar and determine when would be a good time for a Friends of Scouting Presentation, a time when families are engaged, the unit isn't already collecting money, say for camp, and then use this link to reserve your presentation date:

Even as we are in the midst of challenging times, elements of our program continue to be enhanced to enable leaders to deliver good programs and insure a great Scouting experience for kids. The national committee meetings were held this week and I saw some advances that solidly put us on the leading edge of great things for youth. You're going to like what you see as we continue to provide a great Scouting experience for kids today and prepare for the future of the BSA.

Critical for our future success is financial stability. To provide a short-term pathway to that future, it has been determined we will need an increase in the national registration fee. That is structured in this manner:

- \$60 per youth in Cubs, Troops, Venturing, Sea Scouts
- \$24 for council paid registration (ScoutReach) Youth
- \$36 Exploring youth
- \$36 for all adults
- \$60 for each unit a chartered organization charters
