

## ONLINE REGISTRATION UPDATE:

On Monday, November 2 National BSA updated the online registration system, accessed through [BeAScout.org](https://BeAScout.org). This update allows new members to continue to register online to join a unit during the two months preceding a unit's charter renewal. Please note all membership fees collected are paid directly to National BSA.

When a new youth or adult registers online during November and December 2020, the fees collected will be for the current charter term and the future charter term. Any new members registering online will be charged the pro-rated membership fees for the remaining months of the unit charter, plus the membership fees for 2021.
