WHAT DOES SCOUTING **MEAN TO YOU?**

LIZ FOGARTY
TROOP 6838
EAGLE SCOUT

"Scouts all across the world go on adventures every day where they grow their skills, build bonds that will last a lifetime, and experience the wonders of the outdoors. I wanted to be a part of that so when I heard that I could join the BSA, I was so excited!"

ANDREW TAYLOR
COMMITTEE CHAIR, PACK 3633
EAGLE SCOUT

"From Tiger Cub to Eagle Scout, Scouting has been a great way for me to experience new and exciting things while learning critical life skills. Now I can share many of those same experiences with my own children while on their journey through the Scouting program."

**Help us build the next generation of leaders
and make the SCOUTING MISSION POSSIBLE.**
