

Abby & Ashley have enjoyed being part of Cub Scout Pack 3861 for the last 4 years. You see them helping with Scout Popcorn here. While in Cub Scouts they have learned life skills, had fun, and even have camped. Ashley is excited to earn her Bear Claws Belt Loop and learn knife safety. Our pack is asking you to support of the Bay-lakes Council by making a donation. Your donation will help fund the adventure of many Scouts & help to keep our camps open & thriving.
