Through the World Friendship Fund, voluntary contributions of Scouts and leaders are transformed into cooperative projects that help Scouting associations in other countries to strengthen and extend their Scouting programs. The World Friendship Fund gives members of the Boy Scouts of America a good turn opportunity to help fellow Scouts who are in need of their support. It teaches Scouts that Scouting is global. Since the inception of the World Friendship Fund, American Scouts and leaders have voluntarily donated more than \$11 million to the fund.

The World Friendship Fund was developed during the closing days of World War II. At that time, there was a great need to rebuild Scouting in those nations that had been wrecked by war and were just emerging from the shadows of totalitarianism.

Over the years, this fund has provided Scouts from around the world the opportunity to expand the Scouting Movement. Collected contributions are used to assist developing National Scout Organizations (NSO). Any NSO that is recognized by the World Organization of the Scout Movement (WSOM) can submit a grant request for projects to enhance their growing organization. Every February, May, and October the USFIS committee reviews these grant requests.

Hosting a World Friendship Fund Collection can be organized during camporees, roundtable meetings, den and pack meetings, summer camping programs, blue and gold banquets, or any other Scout activity.

**Let Us Celebrate  
Scout Sunday.**

**SHOP SCOUT SUNDAY**

The Boy Scouts of America designates the Sunday that falls before February 8 (Scouting Anniversary Day) as Scout Sunday, which is the primary date to recognize the contributions of young people and adults to Scouting. However, each chartered organization can use either of two other options to celebrate this special day. An organization can adopt a specific Sunday to celebrate. In the instance of the United Methodist Church, Scout Sunday is celebrated on the second Sunday in February. It also is permissible for a local church to celebrate on the Sunday most acceptable to the pastor and congregation.
