Unit Account Log-In Information

As of September 15th, 2022, the Bay-Lakes Council, BSA policy does not allow units to put their accounts in the negative for any reason. This includes purchases in the Scout Shop, membership applications, registering for events, or any other purpose. Please make sure your unit has enough money in their account to cover any purchases made.

We have some exciting news to share with you regarding adding money to your unit accounts that could help get membership processed in a timely manner. Currently, there are three ways to make a payment:

- I. Drop the payment off at the office
- II. Mail the payment to the office
- III. Call the office and pay with a credit card
- IV. **NEW:** We now have a fourth way for you to pay. You can now make a payment right in Black Pug. We have been piloting this new way with a few units and they are telling us that it is easy and convenient. We are now rolling this out to all units with the hope that you will find it easy and convenient too. To log in, follow the instructions in [this link](#).

Please watch these videos, it will walk you through the process of adding payment to your unit account:
