At the New Parent Orientation and Training Day we will share more about:

- How our Troop functions and our general operations
- How the Scouts BSA Advancement program works
- How our Troop patrols are organized and the meeting schedule
- Available adult volunteer opportunities
- How the adult leader training program works

To begin learning about the adult leader training program in the BSA, we are asking all of our new parents to visit [My.Scouting.org](https://www.myscouting.org) and complete Youth Protection Training. The safety of our youth is of the utmost importance to us all. Together we can educate everyone on how to build a community of safety.

Mark your calendars!

Our annual Popcorn Sale begins on September (Enter Date) and we are always looking for volunteers with vans and/or trucks to help us load and organize our product. If you are able to assist with this, please contact (Enter Name and Email of Unit Popcorn Kernel).
