"Scouting has broadened my horizons by allowing me to learn new skills, try new food, and meet new people. Scouting has also provided amazing opportunities for life-changing experiences."

"Scouting has brought me together with a group of like-minded people who want to do good by our youth. Having adventures and building the foundation of great leaders who will grow to do great things for our society and the world. Nothing raises my heart and feeds my spirit more than seeing excitement in a Scout's face when they succeed."
