\$500 for your unit**

New Unit Starter Kit

Could your unit use \$500 in free money??

That's right!! If you are a new unit to the 2025 Fall Popcorn Sale, your unit receives \$500 in free product to sell. We believe that our no risk council fundraiser is a great way for your unit to raise the necessary funds for the Scouting year. Give it a try! Have questions? Feel free to contact your District Leadership.

Items included are: one case of Classic Caramel, one Double Butter, one case of Butter Microwave, and one case of Caramel with Sea Salt.
